Pay your bill: Check, money order, cash, [Auto Pay with CWA](#), credit/debit card, or your bank's bill pay service. **Automatic bill payment** (ACH) enrollment forms are available on the CWA website (camanowater.com) and at the office. When you're enrolled, your water payment is deducted from your bank account on the 20th of each billing month (odd-numbered months). You still receive a paper bill to review your water usage. Please notify the office when you change banks.

Vacant Lots: The annual 2023 prepayment amount for vacant lots is \$564 and due by March 31. This is convenient for owners of vacant lots who choose to prepay.

Partial Payments: Members are welcome to pay monthly; please have the full amount paid by the due date to avoid a late fee. Statements are mailed for any remaining balance due.

Rental Homes: Owners should notify renters of the billing schedule and amount due to avoid late fees.

Office hours are 8 am to 3 pm Monday to Friday. The office is closed on observed holidays.

News and notices. Your bimonthly bill includes Member News — quick notes with current updates.

Newsletters are mailed to all CWA members in March, June, and October with reports about water system projects and finances. Important notices are sometimes sent with the bill.

Bylaws and policies for Camano Water Association (CWA) are all posted at camanowater.com.

Board meetings are the 3rd Wednesday of each month at 2 pm. Call to confirm location and time. If you'd like to discuss a concern, please contact the office so we can plan for your topic and best manage meeting time.

Annual meetings are the 1st Saturday morning each November. All CWA members are encouraged to attend and learn more about the water association, capital improvement plan, and financial status. There is time for questions and answers. The annual meeting agenda is mailed with the October newsletter.

Board member elections take place just before annual meetings, and ballots for open board positions are mailed to all CWA members with the newsletter in mid-October.
